Message from Honourable Rachel Notley Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to send greetings to the students at the Nellie McClung Girls Junior High for The Pink Tea.

I commend you for celebrating this special occasion, and for recognizing the visionary women who have helped change the face of the Canadian society. I hope today's Pink Tea will give you an opportunity to not only look back at what these women have accomplished but look forward and determine how you can make a difference for women's rights in society today.

As you take on leadership roles yourself, recognize the women behind you that have paved the way and never be discouraged when you face challenges. Remember Nellie McClung, who faced with opposition once said, "Never retract, never explain, never apologize — get the thing done and let them howl." Keep focused on what is right and what is good. Know that the fact that we are women does not put a limit on our success.
